

Nymphet of my Blue
(a lyric)
Noonan

You say we know each other so well, but that's a lie
You're a liar and you just don't care
You flick your love at me with those cigarette hips
And I'd hate to see you hurt
But I like to watch you cry...

You think you're so cute, so you hold me with them eyes
But you're too damn tight to even let anybody glance at your fly
all buttoned up tight
You think you're such a woman
All grown up outside, gifted with a long sigh...

You really like this game 'cause it's got no end
You don't have to worry 'cause I'll always be your friend
Yes, my eyes followed you 'round the cornerside
I ain't much to look at
But you know I can keep a lie...

You start to blush at all those sweet potato boys
They talk you up good and make you feel alive
And all those drunk drug dealers
Oh, they would if they could
And you would, I know you would...

You're a smart girl now with nail polish so pink
Socks so pink
Pants a different pink too
All wrapped up for the boys
 Nymphet of my blue
 Nymphet of my blue
 Nymphet of my blue...
